FlockOS®911 Deep Dive Webinar

Join us on **Wednesday, March 20th, at 1 p.m. ET / 10 a.m. PT** to explore how our newest platform, **FlockOS® 911**, can transform your response to emergencies.

Reserve Your Spot Now

During this live webinar with our Product team and Chief Pinksaw from Emporia PD, we will cover how this platform allows you to:

- Get direct insight with live call listening and transcription en route
- Streamline your operations with no new training
- Efficiently filter 911 calls by location to reduce noise
- Expand on-scene awareness with integrated evidence

Our product experts will also demo new features of this platform that allow officers to

access media directly from the scene for an even more detailed picture of emergencies and answer live Q&A.

Register today and step forward into a new era of law enforcement responsiveness.
